Achievements:

Faculty:

1. The department of Civil Engineering designed a cold form double corrugated roofing units – Rapid roofing solution for elimination of lag phases during construction, under the leadership of Dr. A Praveen, professor in Civil Engineering Department.
ICI National award for best Ph.D. Thesis in concrete - 2016
Handing over the Drinking water purifying units (Dr Bindhu B K, Associate Professor, Civil Engineering)

Under the initiative of Dept of Civil Engg. and with the support of RIT Alumni Association, RIT designed and fabricated 50 nos of drinking water purifier units to be distributed to the flood affected areas of Aymanam Panchayath

**Students:**

1. VIII semester Civil Engineering Ajith Boban, Anandakrishnan B, Ashik A and Gishnu G Kurup have won II Prize in KTU Techfest during February 2019 for their innovative project “**Vortex Induced Fluidized bed Anaerobic Reactor (VIFAR) and Integrated Phyto Biofiltration Unit**” under the guideship of Dr. A Praveen, Professor, Civil Engineering
“POLLUTION MONITORING OF PERIYAR AND DETOXIFICATION USING BIOABSORBENTS” won Second Prize in the competition held by Association of Engineers Kerala among all the Engineering colleges in Kerala, in the year 2017 under the guidance of Dr. Vinish V Nair, Associate Professor, Civil Engineering.

Best Outgoing Student of RIT 2017

Name: James Joseph

Mr. James Joseph was awarded Sarasija Thampuran Memorial Endowment (Instituted by our former Principal Dr. Ashalatha Thampuran) for the best outgoing student of RIT.

Mr. James Joseph was an active and academically brilliant (with CGPA 7.99) student of 2017 batch of CE. Mr. James has excellent interaction skills. He has the true potential to be a good teacher someday in the future. His hard work and thirst to acquire knowledge will definitely help him achieve the best. He has good values and ethics, and his attitude towards everyone in the department was very much appealing.

He showed prudent management skills and organizing capability when he led the department for various events like RIT National EXPO and Vastheya 16. He was the
coordinator of many technical fests and department events. He has participated and bagged many awards in various competitions in different institutions. His internship during BTech was in IIT Madras.

Mr. James Joseph

2. Best Outgoing MTech (TE) Student 2017

Name: Riya Elizabeth Robin

Ms. Riya Elizabeth Robin was awarded Tharalakshmi memorial endowment (Instituted by the parents of Tharalekshmi, former MTech student [TE, Civil dept.], who passed away during the course of study) for the best outgoing student of MTech (Transportation Engineering).

Ms. Riya Elizabeth Robin
