

STTP, FDP & Workshops conducted in Civil Engineering Department (From 2018 onwards)

Sl No	Title	Type	Duration & period	Target group
1	GIS and Its Applications in Civil Engineering	STTP	22- 27/02/2021 (6 days)	Faculty / staff from Engineering colleges.
2	Career paths ahead	Workshop	18/2/2020 (1 Day)	2020 Civil Engineering Final year students
3	Computer Aided Design Of Highways And Traffic Simulation	STTP	16-18 May 2018 (3 days)	Faculty and PG students
4	Model Building In Traffic And Transportation Planning Practice	Workshop	23-25 May 2018 (3 days)	Faculty and PG students
5	Computer Applications In Traffic Flow Modeling	STTP	21-23 March 2019	Faculty and PG students
6	Computer Aided Highway Designing	STTP	02-04 May 2019	Faculty and PG students
7	Transport Infrastructure For Emerging India	Workshop	04-05 2019 (2 days)	Faculty, UG and PG students
8	Computer Applications in Transportation Planning	Workshop	14-16 November 2019 (3 days)	Faculty and PG students
9	GIS Applications in Transportation Engineering	STTP	05-07 March 2020 (3 days)	Faculty and PG students
10	Computer Aided Highway Designing	STTP	25-27 March 2021 (3 days)	Faculty and PG students
11	Statistical And Simulation Modeling In Transportation Engineering	FDP	16-20 March 2021 (5 days)	Faculty and PG students
