

ABOUT THE INSTITUTE

Rajiv Gandhi Institute of Technology, named after the late Prime Minister Sri. Rajiv Gandhi, started functioning in the year 1991. Situated in a scenic and picturesque location, the campus provides an environment conducive to learning and achieving the academic and professional aspirations of the students. Owned and managed by the Government of Kerala, it has highly qualified and dedicated faculty. The institute is affiliated to APJ Abdul Kalam Technological University, Kerala and is recognized by AICTE. It offers B.Tech in five disciplines, M. Tech in six specializations, B.Arch, MCA and Ph. D programme in all the branches of engineering. The college is situated at Nedumkuzhy, 15 km from Kottayam railway station along NH 183 (KK road).

ABOUT THE DEPARTMENT

The Department of Civil Engineering has been in existence since the inception of RIT and has been accredited by AICTE. The department offers B. Tech in Civil Engineering and M. Tech in Transportation Engineering.

The Department of Civil Engineering is approved as a research centre of APJ Abdul Kalam Technological University and is recognized as a QIP centre for Ph.D by AICTE. The department undertakes both sponsored and industrial consultancy/ research activities in various domains of civil engineering regularly.

ABOUT KOTTAYAM

Kottayam, popularly known as 'akshara nagari' is the first-ever fully literate municipal town in India. Bounded by Western Ghats and Vembanad Lake, Kottayam is a famous tourist destination. Kumarakom, Vagamon and Elaveezhaponchira are a few among many places of tourist attraction. It is also a gateway to many pilgrim centers like Sabarimala, Vaikom, Ettumanoor, Bharanganam, Erumeli and Manarcaud.
