Dear and Respected Professor,

KSCSTE and APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY jointly invite innovative project proposals from B.Tech students under 'INNOVATE' programme of KSCSTE.

INNOVATE is a special programme instituted by KSCSTE to promote innovations in the Kerala State. Under INNOVATE scheme financial support (Rs 25000/-) will be provided to selected projects. Such projects will get an opportunity to be presented in TEKON-2018 (TECHFEST of KSCSTE).

B.Tech. students from any Engineering Colleges from any University within KERALA STATE are eligible to apply under the scheme.

Attachments - Brochure and Application form

Project proposals in the prescribed format should reach on or before 20th October 2017 to the following address :

Kindly circulate this in the appropriate forum so as to reach the message to all creative students and encourage them to apply for this.
