001.2.05:Amendment in the regulation for college transfer,branch transfer etc.

ORDER

It has come to the notice of the University that many students could not apply for the Branch Transfer, College Transfer, B.Tech Honours etc. during Nth semester due to the delay in publishing the revaluation results of (N-1)th semester.

The Examination section suggested that it would be better to consider the grade/result of (N-2)th semester instead of the grade/result of (N-1)th semester for Branch Transfer,College Transfer,B.Tech Honours etc.

The Academic Council, after deliberation approved the amendment proposed by the Examination section.
