Notice

The M.Tech Thesis Presentation Contest-2019 sponsored by Centre for Engineering Research and Development (CERD), APJ Abdul Kalam Technological University, is scheduled to be conducted at RIT Kottayam on 26th September, 2019.

The contest is being organized to create an interactive platform for discussing the academic and practical implications of research work done by the 2017-19 M Tech batch of RIT Kottayam. The Department Evaluation Committee will recommend to a maximum of six students from each branch for oral presentation of their thesis work and remaining for poster presentation. The participants for oral presentation will have to first submit the full paper as per the format published in website to the respective P G Coordinator. The remaining students have to submit the poster and the abstract in the prescribed format available in website. There is no registration fee. The length of the submitted paper should not exceed 6 pages.

The registration form is to be submitted to the P G Coordinator. Presentations will be evaluated by an external technical expert based on which the first and second best works and best poster will be decided.

**Paper Submission Deadlines**
